New Pathway

City of Novato/Costco/Vintage Oaks recently opened 0.56 miles of Class I Pathway on Rowland Blvd.

- Upgraded/replaced the previous Class II bike lane.
- Will connect south by the Rowland Blvd. to Hanna Ranch Blvd. segment funded for construction through One Bay Area Grant (OBAG).
- Will connect north by the Vintage Way to North Novato Creek crossing segment that is currently in design.

Pathway Construction

- 0.3 miles in Petaluma between Lakeville St. and Payran St.
- 6.6 miles preparing to enter construction:
 - McInnis Pkwy. to Smith Ranch Rd. (San Rafael)
 - Southpoint Blvd. to Main St. (Petaluma to Penngrove)
 - Golf Course Dr. to Bellevue Ave. (Rohnert Park to Santa Rosa)
- Construction on the pathway portion of the Windsor Extension expected to recommence Spring 2024 (2.7 miles)

Pathway Design

- The remaining pathway segments are at various stages of project development and design—33.69 miles
- Some of these segments have funding commitments for construction—3.55 miles
- Some are awaiting grant award announcements—8.85 miles
- Others are advancing through design to secure funding

Next Steps

- Continue to prepare Segments for construction: “Shovel Ready”
- Continue to coordinate with our partners to complete and connect the pathways.
- Update the board regarding pathway funding and project milestone achievement.
