

Board of Directors Meeting: February 17, 2021 – Public Comments

Date	Name	5. Public Comment on Non-Agenda Items
2/13/2021	Patrick Sieck	Subject SMART Bike Path: I am concerned that the bike path (one of my drivers for voting for SMART funding) is being derailed (no pun intended) forcing riders onto McDowell Blvd. This is untenable. I urge the Board to find solutions that provide the promised improvements ! Thank you for your consideration of this issue, Peter Sieck
