MASCOTS Implementation Coming Soon

MASCOTS is regional coordination initiative, developed in partnership between the 6 transit agencies in Marin and Sonoma, TAM, SCTCA, and MTC

- SMART is increasing service by 19%:
 - 48 weekday trips
 - 24 weekend trips
- Span of service is expanding:
 - Earlier trains
 - Later trains
 - More service in the midday
- Service begins April 12

MASCOTS Connecting Service Improvements Overview

- More service and improved frequency means more connection opportunities
- With increased SMART service and GGT 101 service between Marin and San Francisco, there are more opportunities to connect between services and reach San Francisco on transit
- Along the 101 corridor, many transfers between SMART and GGT 101 improved to fall into the “ideal transfer window (5-10 minutes)”
- This reduces wait times and overall trip time
