 - SMART Board Meeting

A poster for a community meeting. The top half has a dark green background with white text. The bottom half shows a photograph of a SMART train at a station platform. The train is silver and blue, with 'SMART' and 'SONOMA-MARIN AREA RAIL TRANSIT' visible. The platform has a few people waiting. The background of the photo shows a building and hills.

**COMMUNITY MEETING
ABOUT THE LOCATION
OF THE SMART
HEALDSBURG STATION**

Thursday, October 22, 5:30-7:30p
Healdsburg High School 1024 Prince St., Healdsburg

Ongoing engagement activities

- Survey
 - Where respondents live and work (if applicable)
 - Trip purpose(s) that they would use a SMART Healdsburg Station for
 - Healdsburg Station Access
 - Time of day they would want train service most
 - Station location preference
- Available in English and Spanish
- Running through November 30th

Next steps

- Staff will return to the Healdsburg City Council on December 7th
- Staff will return to the Board on December 16th to consider the input received and results of the survey
