

Partial System Closure

Transit Alternatives: Cotati Station

The SMART Cotati station will be closed during a partial system closure on March 23rd and 24th. Riders are encouraged to take Golden Gate Transit Route 101 as an alternative.

Route 101 stops at the Cotati Hub, approximately a 21 minute walk from the SMART station. Exiting the station from the north, turn left on E. Cotati Ave to get to the hub. Be aware that the stop location is slightly different for northbound and southbound trips. Route 101 travels along the 101 corridor, serving Sonoma and Marin Counties as well as downtown San Francisco.

SMART encourages riders to plan transit trips using Google Maps, Apple Maps, or the Transit App. These services have been informed of the closure and will adjust accordingly.
