

Partial System Closure

Transit Alternatives: Santa Rosa North Station

The SMART Santa Rosa North station will be closed during a partial system closure on March 23rd and 24th. Riders are encouraged to take Golden Gate Transit Route 101 as an alternative. Riders can connect to Route 101 at the Santa Rosa Transit Mall.

To get to the Transit Mall, riders can take Santa Rosa CityBus Route 10 on Saturday and Route 1 on Sunday from the Coddington Transit Hub. Exiting the station from the north, turn right on Guerneville Rd and right on Range Ave to get to the hub. Route 101 travels along the 101 corridor, serving Sonoma and Marin Counties as well as downtown San Francisco.

SMART encourages riders to plan transit trips using Google Maps, Apple Maps, or the Transit App. These services have been informed of the closure and will adjust accordingly.
