MEDIA ADVISORY:
SMART continues free train service through Sunday

Sonoma-Marín Area Rail Transit (SMART) will continue free train service for passengers through Sunday, to assist those who need transportation options during this period. SMART was able to get back in service Monday afternoon, and has been providing free passenger service since that time.

Weekday and weekend train service will operate on a modified schedule from the Santa Rosa Downtown station to downtown San Rafael, serving all stations in between. SMART will run 28 weekday trips, with southbound service starting at 5:01 a.m. out of the Santa Rosa Downtown station, and northbound service begins at 6:29 a.m. out of San Rafael. Service will continue mid-day, through the peak commute, and into the evening with the last southbound train departing Santa Rosa Downtown at 7:01 p.m. and the last northbound train departing San Rafael at 8:35 p.m. SMART will operate its weekend schedule on Saturday and Sunday. (Please see schedule below)

Due to power outages and closed railroad crossings in the northern portion of Santa Rosa resulting from wildfires in the area, the Sonoma County Airport and Santa Rosa North stations will be closed through Sunday. SMART's Santa Rosa-based control center has been operating using generator power due to the widespread outages resulting from the extreme fire conditions.

Please be aware that fire conditions can change at any time. Please check SMART's website: www.SonomaMarinTrain.org before starting your trip to ensure there are no schedule changes.

Safety is SMART's top priority and we will continue to monitor fire conditions and will use all necessary safety precautions.

Free Weekday Service Schedule for October 12-13, 2017

Due to fire conditions, the Sonoma County Airport
and Santa Rosa North stations will be closed through Sunday.
