**SMART announces 10 trips added to its  
weekday schedule beginning on Monday, June 13**

Petaluma, CA—The Sonoma-Marin Area Rail Transit District announced at its Board of Directors meeting on Wednesday, May 4, that the agency will be adding 10 new weekday trips to the schedule beginning Monday, June 13, 2022.

In early 2020, SMART reduced its weekday service and cancelled its weekend service in response to the COVID-19 pandemic.

SMART considered comments from customer service, and recent strategic planning listening sessions when developing its new schedule.

The following additions to the schedule are designed to increase transit usability, provide convenient connections to local and regional bus service, and reasonable connections to the Larkspur Ferry.

Added trips:

- **Three southbound trips** added in the morning, leaving Sonoma County Airport at 4:39am, 6:38am and 7:42am
- **Two southbound trips** added in the afternoon, leaving Sonoma County Airport at 2:53pm and 6:05pm
- **Three northbound trips** added in the morning, leaving Larkspur at 6:08am, 8:16am and 9:20am
- **Two northbound trips** added in the afternoon/evening, leaving Larkspur at 4:31pm and 7:43pm

See full weekday schedule below.

“I am truly excited that SMART is adding this many trips back to its weekday schedule,” said David Rabbitt, Chair of the SMART Board of Directors. “Offering 36 weekday trips gets SMART back to pre-pandemic levels of service, and this will help meet the increasing demand we’ve been experiencing.”
